

According to the Center for Disease Control, for the first time in history, our children are expected to live shorter lives than us. At St. Andrew, we didn't just ask why. We enlisted the greatest minds.

And then, *We did something about it.*SM

WELLNESS SUITE®

A Multilingual, Interactive Community of Modular Health Education Touchscreen Kiosk and Web Programs Making People's Lives better.

PROGRAM ID & DESCRIPTION

PROGRAM MISSION

PROGRAM BENEFITS

KIDS FIT FOR LIFE®

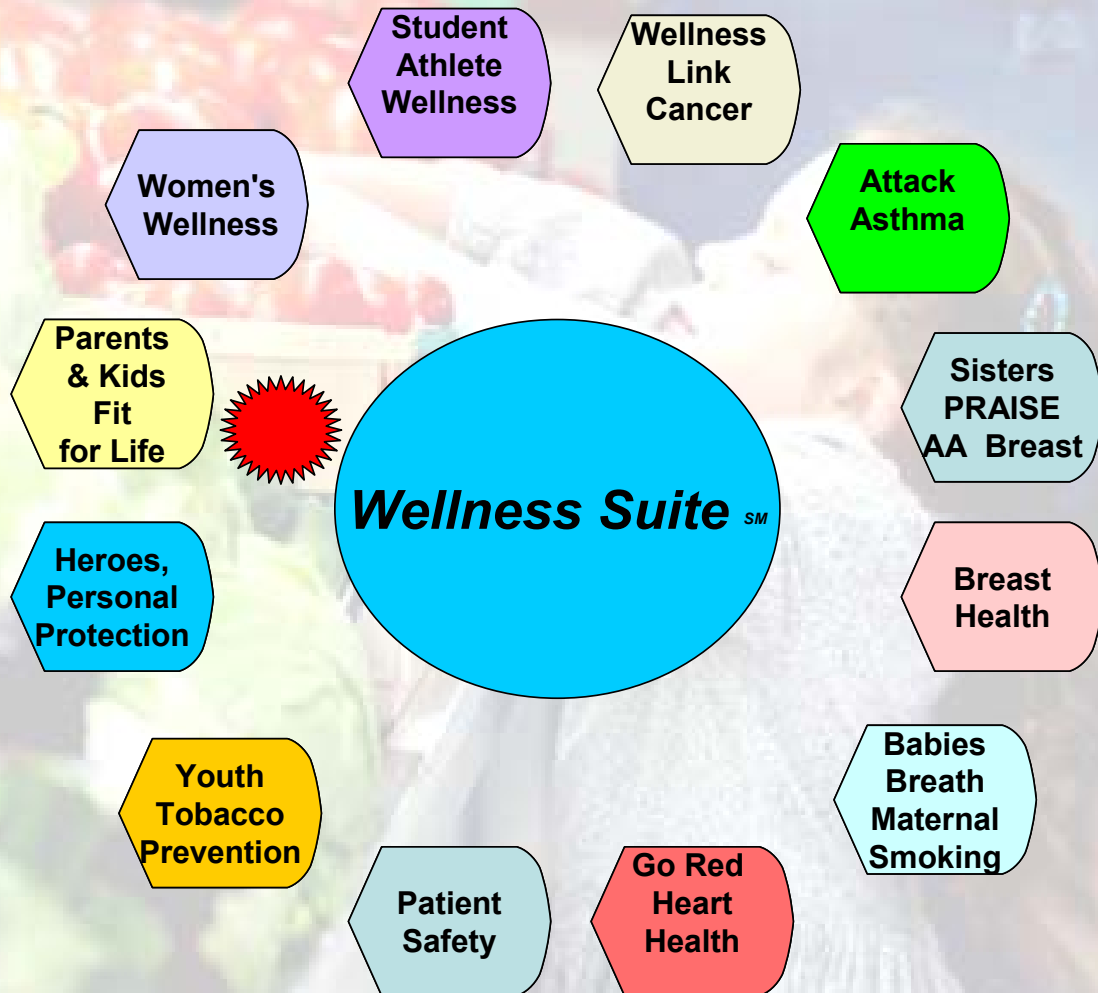

A modular health education program directing children toward life-promoting nutrition and activity strategies.

Educate children, parents, families and their social network about the life long benefits and importance of making proper life-style food choices, refraining from tobacco use and engaging in physical activity.

- **Powerful** – Engages target audience in a confidential, direct one on one setting using personalized health education touchscreen kiosks and the Web. Can connect users directly to local resources.
- **Simple** – Economically presents complex information in an age specific venue on nutrition, responsible diet, tobacco use and exercise in an easy to understand format using highly engaging images, graphics and audio narrations.
- **Captivating** - Provides users the ability to live a "nutrition day" making food choices during their "day" and seeing the outcomes of their choices.
- **Effective** – Independently developed assessment tools show that the program is extensively used and also influences users to favorably alter their behavior.
- **Outcome Based** - Offers program administrators the ability to retrieve full usage statistics detailing topics viewed (frequency), self-assessment tools (optional) and personal information (optional) directly from the web meeting HIPAA standards.

Wellness Suite offers a variety of modular health education program to our clients supporting flexible deployment strategies by using reliable, self-standing, easy to use touchscreen kiosks and web portals. For more information on how the **Wellness Suite** family of programs can help your organization reach into your community and influence health outcomes, contact St. Andrew Development today on the web at www.StAndrew.com, email at Wellness@StAndrew.com, or call 717-848-5818.

Wellness Suite SM Community of Health Education Touchscreen Kiosk & Web Programs
