

The American Cancer Society reports that the key to breast cancer survival is early detection.

At St. Andrew, we didn't just ask why. We enlisted the greatest minds.

And then, *We did something about it.*SM

PROGRAM BENEFITS

WOMEN'S BREAST HEALTH PROGRAM®

An interactive health education program empowering women to take control of their breast health.

Empower women through education with the life-skills to take control of their breast health and to make informed choices in matters of early detection, prevention and life-styles.

- **Credible** – Deploys information from the American Cancer Society, Susan G. Komen Foundation and CDC in a confidential, direct one on one setting using personalized health education kiosks and the Web. Can connect users directly to local resources for follow up and fulfillment.
- **Simple** – Clearly presents basic, life-saving information on mammograms, clinical breast examination, nutrition, responsible diet and exercise in an easy to understand format using highly engaging images, graphics and audio narrations.
- **Captivating** – Gives users the ability to see the first-person benefits of making proper prevention, early detection and life-style choices.
- **Effective** – Independently developed assessment tools show that the program is extensively used and also influences users to favorably alter their behavior.
- **Outcome Based** - Offers program administrators the ability to retrieve full usage statistics detailing topics viewed (frequency), self-assessment tools (optional) and personal information (optional) directly from the web meeting HIPAA standards.

Wellness Suite offers a community of health education programs to our clients. These programs support flexible deployment strategies by using reliable, self-standing, easy to use touchscreen kiosks and web portals. For more information on how the *Wellness Suite* community can help your organization reach your targets and influence health outcomes contact St. Andrew Development today on the web at www.StAndrew.com, email at Wellness@StAndrew.com, or call 717-848-5818.
